

# EQUIPMENT END-OF-LIFE INSPECTION CHECKLIST

Make an informed end-of-life replacement or repair decision for your tree care machines by determining the wear level in these three categories. High wear levels may indicate that it's time to look at replacing your machine. Contact your Vermeer dealer to learn more.

## Major structures

- |                          |                              |                                   |                               |
|--------------------------|------------------------------|-----------------------------------|-------------------------------|
| Structure and frame      | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Wheels                   | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Undercarriage components | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |

## Middle-tier structures

- |                                    |                              |                                   |                               |
|------------------------------------|------------------------------|-----------------------------------|-------------------------------|
| Tracks and tires                   | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Mechanical and drive fluid systems | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Bearings                           | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Rotary parts, like cutter wheels   | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |

## Frequent replacement parts

- |                                    |                              |                                   |                               |
|------------------------------------|------------------------------|-----------------------------------|-------------------------------|
| Teeth and knives                   | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Wear part structures, like pockets | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |
| Hydraulic lines and fittings       | <input type="checkbox"/> Low | <input type="checkbox"/> Moderate | <input type="checkbox"/> High |

For the complete list of maintenance suggestions, please refer to your machine's maintenance manual.
